CAREY IS ECO FRIENDLY

Carey remains committed to sustainable fabrics ECOWAVE, made with yarns from recycled plastic bottles and waste from the Mediterranean Sea. Our commitment focuses on the use of recycled fibers, while the printing process uses solar energy and is completely dry printed using the ECOPRINT digital printing technique. We prioritize a local production model, encouraging nearby processes throughout the entire manufacturing chain. All printed fabrics are of national origin.

Carey continua a puntare sui tessuti sostenibili ECOWAVE, realizzati con filati provenienti da bottiglie di plastica riciclate e rifiuti del Mar Mediterraneo. Il nostro impegno si concentra sull'uso di fibre riciclate, mentre il processo di stampa utilizza l'energia solare e viene stampato completamente a secco con la tecnica di stampa digitale ECOPRINT. Diamo priorità a un modello di produzione locale, incoraggiando i processi locali lungo l'intera catena di produzione. Tutti i tessuti stampati sono di origine nazionale.

TALLAS

NEED HELP WITH FINDING THE PERFECT
SIZE?

Carey teaches you in two easy steps to find your real size:

1-Band measurement: wrap a soft measuring tape around your back at band level, under each arm and around the front.

2-Cup measurement: Measure around the fullest part of your bust, keeping the tape measure close but not too tight, this is your bust.

VUOI SCOPRIRE LA TUA TAGLIA
PERFETTA?

Carey ti insegna in due semplici passaggi a trovare la tua taglia reale:

1-Misura il sottoseno: Fai passare il metro sotto i seni tenendolo il più possibile aderente, verificando sia ben allineato sul dietro.

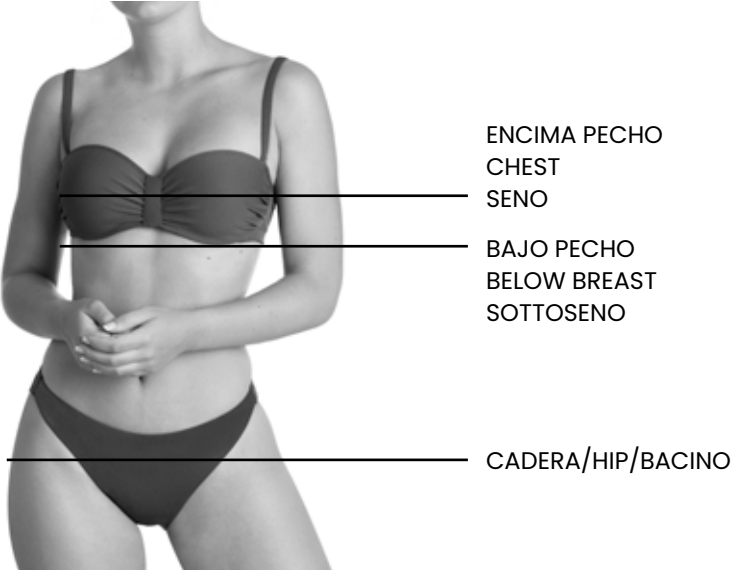

2-Misura la coppa: Fai passare il metro direttamente sul punto più ampio del seno, facendolo aderire al corpo, verificando sia ben allineato sul dietro.

¿QUIERES ENCONTRAR TU
TALLA PERFECTA?

Carey te enseña en dos pasos muy sencillos a elegir la talla idónea.

PASO 1: Mide el contorno de tu cuerpo justo por debajo de tu pecho.

PASO 2: Coloca la cinta métrica justo por encima de los pezones y toma la medida de tu copa.
